1. INTRODUCTION

The purpose of this report is to comply with Section 52(d) of the Municipal Finance Management Act 56 of 2003 and the requirements as promulgated in Government Gazette 32141 dated 17 April 2009.

Section 52(d) of the Municipal Finance Management Act and in terms of Section 28 of the Government Notice 32141 dated 17 April 2009, regarding the “ Local Government: Municipal Finance Management Act 2003 Municipal Budget and Reporting Regulations necessitates that specific financial particulars be reported on and in the format prescribed, hence this report to meet legislative compliance.

“Section 52(d) the mayor of a municipality must, within 30 days of the end of each quarter, submit a report to the council on the implementation of the budget and the financial state of affairs of the municipality”

Section 31 states that the quarterly budget statement of a municipality must be in the format specified in Schedule C and include all the required tables, charts and explanatory information, taking into account any guidelines issued by the Minister in terms of the section 168(1) of the Act.

The reporting period ending 31 December 2011, 30 days reporting limit expired on 31 January 2012.

Herewith please find the In-year Report for the third (2nd) quarter ending 31 December 2011 in compliance with the above mentioned legislation and regulations.

The budget of the Matjhabeng Local Municipality is implemented in accordance with the Service Delivery and Budget Implementation plan. The implementation thereof is indicated on the C Schedule which also includes explanations regarding the variances.

The municipality is currently experiencing cash flow problems as a result of the low collection rate; the average pay rate for the third quarter ending 31 December 2011 was 56%. However the municipality is currently implementing stringent and robust credit control action against defaulters to ensure that all collectable arrears are recovered.

2. RESOLUTION

To be inserted after Council meeting.

3. EXECUTIVE SUMMARY OF THE QUARTERLY REPORT IN TERMS OF SECTION 52(d) FOR THE THIRD QUARTER ENDING 31 DECEMBER 2011

The Statement of Financial Performance (SFP) in Annexure A, Table C4 details the revenue by source type and expenditure by input type. The summary report indicates the following:

Summary Statement of Financial Performance – Second Quarter ending 31 December 2011:			
Description	Budget for the three months '000	Actual for the three months '000	Variance
Total Revenue by Source (Excluding Capital Transfers)	268,924	332,082	-19.2%
Actual Billing (excl indigent billing) vs actual revenue received (excl grants)	227,963	332,082	-31.35%
Total Operating Expenditure	372,984	199,606	46.48%

The total revenue per source shows a variance of -19.20% which indicates that the revenue received for the first quarter is above the budgeted amount for that period. The total operating expenditure shows a variance of 46.48% which indicates an under-spending against the budgeted amount for the same period.

The major operating revenue variances against the budget are:

- Property Rates
- Service Charges
- Other Revenue

- Interest on arrear accounts

The major operating expenditure variances against budget are:

- Bulk purchases
- Other Expenditure

Annexure A, Table SC1 gives the reasons for the variances.

The Statement of Capital Expenditure in Annexure A, Table C5 details categorized capital expenditure by municipal vote. The summary report indicates the following:

Summary Statement of Capital Expenditure – Second Quarter ending 31 December 2011:			
Description	Budget for the three months	Actual for the three months	Variance
Total Capital Expenditure	41 224 000	75 657 304	54.49%
Total Capital Financing	41 224 000	75 657 304	54.49%

The above table shows that the municipality had an over-spending 54.49% with regard to capital expenditure.

The municipality is currently experiencing cash flow constraints although the SFP is indicating a surplus for the second quarter ending 31 December 2011. Cognizance should be taken of the fact that the municipality received their MIG allocation during the quarter.

The table below will give an indication of the actual revenue collected against the actual billing.

Description	Actual for the three months
Total Billings	272 611 618
Less: Indigent Billing	44 647 749
Actual Billings	227 963 869
Actual Revenue Received	332 082 361
<i>Consumer Revenue</i>	<i>132 439 782</i>
<i>Other</i>	<i>57 354 599</i>
Grants & Subsidies	<i>142 287 980</i>

The pay rate on consumer services for the quarter was 58% and the total income (excluding grants & subsidies) percentage for quarter was 69%. In order for the municipality to be financially sustainable the pay rate will have to be increased to 75% on the consumer services.

The credit control section has resuscitated the Revenue Protection unit under the instruction of the Acting Chief Financial Officer, with the main emphasis on the following:

- Attend to the top 400 debtors
- Defaulters of arrangements
- Illegal connections

Meetings are also held with the contractors as well as the security staff in implementing the duties of the aforesaid issue. The disconnections and reconnections statistics for the quarter are as follows:

Disconnections issued = 6025
Reconnections = 794
No reconnections = 5231

As can be seen from the above statistics it is recommended that a robust monitoring team should be established to monitor the disconnections and reconnections, and also to detect illegal connections.

During the Finance Section 80 Committee meeting, held on 29 July 2010 it was decided that the Credit Control section should compile a report outlining the disconnection process and to be presented at a follow up meeting, held on 13 September 2010. The report indicated the process as well as the challenges experienced by the section in order to execute effective disconnections. The committee recommended the following:

- The Credit Control Policy be reaffirmed
- That a dedicated Revenue Collection Unit be established
- That a dedicated person be appointed to manage the Revenue Collection Unit
- That summonses be issued to residents who are not paying their rates
- That electricity pre-paid meter is installed at all indigents, individuals in arrears with electricity as well as residents who requested pre-paid meters by 31 September 2010.
